	<i>Engagement in Google Classroom of individual subjects</i>	Depending on individual subjects
	<i>Submission of assignments in Google Classroom of individual subjects</i>	Depending on individual subjects
	<i>Video Presentation reflecting on Transition Year (in place of TY Interviews)</i>	19.May.2020

Tutor Group Google Classroom	Maths Google Classroom	Individual Subjects
Students have been assigned a number of tasks based on subjects undertaken by students in TY. The engagement in these tasks is closely monitored by class teachers, tutors and Year Head.	Students have been added to a classroom according to their ability. (Higher Level or Ordinary Level) The Maths Department assigns weekly Mathematical tasks to students. The engagement in these tasks is closely monitored by the Maths Department and Year Head.	Students are members of individual subject Google Classrooms. Students are assigned tasks from individual subjects teachers. The engagement in these tasks is closely monitored by class teachers.
